

Milliken Medical Centre, Dr. Bari - Patient Agreement

Dear Patient,

Welcome to the Milliken Medical Centre. Please read the content below before registering to be part of Dr. Basel Bari's practice.

Due to the large size of patients already in the practice, Dr. Bari books routine appointments 3-4 weeks ahead. Therefore, it is essential to book your follow up appointments immediately after seeing the doctor to ensure an appointment at a time convenient for you. However, if there is an urgent medical reason and you require an appointment in between your routine scheduled appointment, please call our office and inform our staff – they will try to accommodate you with Dr. Bari (dependent on the reason for your visit and the urgency) or possibly another doctor on call at the clinic. There is always another doctor on call at the office that you can see if there is anything urgent and Dr. Bari is unavailable. **We ask that you not walk in without calling the office first and see the doctor on call if necessary.**

As there are times when we try to accommodate urgent walk-ins, there is a possibility that the wait time for appointments could be 1-2 hours. The staff will try their best to give you an accurate time when you check in for your appointment. We understand that this may be inconvenient at times, however, we ask that you understand the nature of our practice and remain patient.

Please give us 24 hour notice before cancelling your appointment. As we are booking 3-4 weeks ahead, cancellations known in advance helps accommodate patients that need to be seen urgently.

If you have a medication (dependent on the type of medication) that you require on a regular basis, please contact your pharmacy and ask them to send a prescription repeat to our office. Please note that we require 2-3 days to complete the repeat request, it may be done sooner, but we ask that you give yourself a 2-3 day gap so that you do not run out of your medication.

If you anticipate that this will not be an ideal situation for you, please consider joining the practice of one of the other physicians at our clinic. This office does not tolerate inappropriate/argumentative or abusive behaviour towards our staff.

I, _____ have read the above content and understand that by joining Dr. Basel Bari's practice, I will have to abide by the guidelines outlined above.
